

**MHC Software is extending the opportunity to the
Lawson User Community to view our webinar entitled:**

Year End and Tax Form Processing Tips

In this free presentation, we cover tax form preparation tips and form information.

Topics include:

- Standard Lawson Output
- Processing Tips
- Form Options
- Document Express W-2 & 1099 Updates
- Outsourcing Options
- Electronic W-2s & 1099s

The IRS requirements for electronic delivery of W-2s and 1099s are also covered.
Please call us if you would like more information or want to view the presentation.
